Spring 2015 – Summer Early Walk Policy

Undergraduate and graduate students (MS candidates) who have two or fewer classes remaining to complete degree requirements after the spring 2015 term will be eligible to request participation in the spring 2015 ceremony. Undergraduates must have a 2.0 minimum GPA, and master’s students must have a 2.7 minimum GPA. Extenuating personal and family circumstances or issues related to the proximity of the student’s home to Atlanta will also be taken into consideration.

Doctoral students who are August 2015 degree candidates will be handled on a case-by-case basis depending upon when they are cleared by their major schools and the Office of Graduate Studies as having completed all of their degree requirements. Doctoral students must have a 3.0 minimum GPA to apply.

Summer 2015 graduates who do not meet these requirements will still have the option to participate in the fall Commencement ceremony. Information detailing how they can participate in the Fall 2015 Commencement ceremony will be sent to all summer 2015 degree candidates via their Georgia Tech email account in mid-summer.

The form to request permission to participate in the spring Commencement ceremony will be sent via email to all active summer degree candidates that apply for graduation by Wednesday, March 11, 2015. The request form will also be available on the Registrar and Commencement websites from January 21 to March 11, 2015.  **Note: The Online Application for summer Graduation (OAG) will close on May 15, 2015. However, students must submit their OAG’s by March 11, 2015 in order to petition to walk at the spring ceremony.** Candidates who submit their OAG’s after March 11, 2015 will have the option to participate in the fall Commencement ceremony.

Due to space constraints, the number of summer degree candidates who can participate will be limited. In the event that we have more applicants than available tickets, Registrar’s Office staff will review the forms and select which students are allowed to participate based on the extenuating circumstances provided on the request form. Consultation with other offices on campus will occur as needed to ensure that all requests are given full and consistent consideration. Summer degree candidates will be notified prior to ticket distribution whether their request will be granted.

The Office of the Registrar will process the request forms and communicate directly with the students.
